## HARDY EVERGREEN TREES

The Evergreens we list are well developed and heavily rooted; they have been several times transplanted. We have a quantity of large specimens not listed; these can be selected at the nursery when prices will be given. A visit to our nurseries will pay you.

 We always burlap the roots, unless otherwise requested, at an additional expense of five (5) cents per tree for small trees under three (3) feet and ten (10) cents per tree for all sizes above three feet.
